Helpful tips for taking care of your home

Avoid being a victim of crime

Most household burglaries are committed by opportunists. By taking some relatively simple steps **you** can decrease the chances of a break-in and make **your home** safer.

- Make sure **you** have locks on all doors and windows.
- **You** could increase security by having an alarm installed.
- Keep cash, keys, **credit cards** and any portable **high risk items** out of sight.
- When **you** are away on holiday, use time switches so the **home** looks occupied.
- Always ensure bicycles are locked securely to a permanent structure.

Dealing with burst pipes and floods

Reduce the risk of burst pipes by:

- leaving the heating on at a minimum of 15°C;
- insulating all pipes including those in the attic as these pipes are the most likely to freeze;
- insulating **your** cold water tank;
- opening the loft hatch so warm air can circulate to help prevent freezing in cold weather spells;
- making sure **you** can locate **your** mains water supply and that **you** know how to turn it off;
- turning off the water supply to outside taps; and
- having emergency contact details readily to hand.

If **you** have been flooded, don't enter **your** property until the mains electricity has been turned off and never use electrical appliances that may be wet. Gas can get trapped in a building after a flood, so use a battery powered torch and never use open flames to see **your** way.

Fire Prevention

- Smoke detectors are important safety devices. Fit detectors in prominent places in **your home** and check the batteries on a regular basis.
- Have the chimneys swept regularly and if **you** have open fires always use a fireguard.
- Never leave hot fat or oil unattended when cooking. If a pan does catch fire, cover it with a fire blanket or damp cloth – don't use water.
- Gas appliances should be serviced regularly by a Gas Safe Registered engineer.
- Do not tape up damaged electric cables as they can be dangerous and should always be replaced.
- Be careful not to overload plugs. **You** should fit no more than one plug per socket; use an extension lead if **you** need to fit more.
- Ensure smoking materials are properly extinguished/disposed of.

Carbon Monoxide

Carbon monoxide is a colourless, odourless poisonous gas, which makes it difficult to detect. Symptoms of carbon monoxide poisoning include tiredness, drowsiness, headaches and breathlessness. Take some basic precautions to ensure **you're** safe:

- Never use a gas appliance if it's not working properly. Signs to look out for include:
 - yellow or orange flames;
 - soot stains around the appliance; and
 - a pilot light that frequently blows out.
- Gas appliances should be serviced regularly by a Gas Safe Registered engineer.

- If **you** live in rented accommodation **your** landlord has a legal duty to carry out an annual safety check. They must provide **you** with a copy of the completed gas safety check certificate.
- Install a carbon monoxide detector. Check it complies with British Standard EN 50291 and carries a British or European approval mark.

Storm Damage

- Regularly check the condition of all roofs including garages, sheds and flat roofs for sign of wear and tear.
- Keep gutters, gullies and drains clear to carry water away quickly and efficiently.
- Be mindful of low hanging tree branches which could cause damage in high winds.

Section 1: Buildings

What happens when I make a buildings claim?

To make a buildings claim please phone the claims helpline number in **your schedule** and tell **us** what has happened.

As long as the loss or damage is covered under **your** policy, and **you** have followed all the policy conditions (see page 56) **we** will decide whether to settle **your** claim by:

- rebuilding;
- repairing;
- replacing; or
- by making a payment in respect of the damaged part of the **buildings**.

We will repair or rebuild the damaged part of the **buildings** where **we** can.

Your schedule will show the amount of cover provided.

All repairs to **your buildings** will need to be carried out without delay to prevent further damage occurring.

Any general renovation, structural and redecoration repair works carried out by contractors appointed by **us** are guaranteed for 12 months.

What happens if you cannot repair/rebuild my buildings?

If repair or rebuilding is not carried out, **we** will pay **you**:

- the amount by which the **buildings** has gone down in value as a result of the damage or
- the estimated cost of repair or rebuilding, whichever is lower.

What happens if I have more than one claim in the period of insurance?

We will pay in respect of each incident of loss or damage up to the **buildings** limit shown on **your schedule** or in the policy, provided that all replacement or repair work is completed for each claim and any recommendations **we** make to prevent further loss or damage are carried out without delay.

What happens if I have not insured my buildings for the correct amount?

If at the time of the claim **we** identify that the amount **you** have insured **your buildings** for is below the rebuilding cost of the **buildings**, **we** may choose dependent on the circumstances to:

- reduce **your** claim in direct proportion to the amount of premium underpaid,
- charge an additional premium if applicable and pay **your** claim;
- refuse to pay **your** claim; and/or
- cancel the policy in line with "Cancelling Your Policy".

What happens to matching pairs, sets, suites and flooring?

We treat each individual item of matching sets, suites, fixtures and fittings or other articles of a similar nature, design or colour, as a single item. **We** will therefore only pay for the lost or damaged items and not for any other items that have not been lost or damaged solely because they form part of the set or suite. If an item within a set or suite is damaged, the other items may lose value even if they have not been damaged. **We** will not pay for this loss in value under **your** policy. If a wooden, laminate or vinyl floor covering is damaged beyond repair **we** will only pay for the damaged floor covering. **We** will not pay for undamaged floor coverings in adjoining rooms even if they are the same colour or design.

How we handle a claim for loss of Keys?

If the keys of external doors and windows of **your** home are lost or stolen, **we** will work with **you** to agree the relevant approach to repair or replace **your** locks and keys.

If no equivalent replacement is available then **we** will pay the full replacement cost of the item with no discount applied.

What happens if I have more than one claim in the period of insurance?

We will pay in respect of each incident of loss or damage up to the **contents** limit shown on **your schedule** or in the policy, provided that all replacement or repair work is completed for each claim and any recommendations **we** make to prevent further loss or damage are carried out without delay.

What happens if I have not insured my contents for the correct amount?

If at the time of the claim **we** identify that the amount **you** have insured **your contents** for is below the cost to replace all **your contents** as new, **we** may choose dependent on the circumstances to:

- reduce **your** claim in direct proportion to the amount of premium underpaid;
- charge an additional premium if applicable and pay **your** claim
- refuse to pay **your** claim; and/or
- cancel the policy in line with "Cancelling Your Policy".

Will I need to provide you with receipts or any proof of ownership?

We will require proof of ownership and value predating the loss or damage for items over £2,500. If **you** are unable to provide this information **we** may choose to reduce **your** claim payment or refuse to pay **your** claim.

Section 2: Contents continued

What happens to matching pairs, sets, suites and carpets?

We treat each individual item of matching sets, suites, **high risk items** or other articles of a similar nature, design or colour, as a single item. **We** will therefore only pay for the lost or damaged items and not for any other items that have not been lost or damaged solely because they form part of the set or suite. If an item within a set or suite is damaged, the other items may lose value even if they have not been damaged. **We** will not pay for this loss in value under **your** policy. If a carpet or curtain is damaged beyond repair **we** will only pay for the damaged carpet or curtains. **We** will not pay for undamaged carpets or curtains in adjoining rooms even if they are the same colour or design.

What happens if you cannot repair/replace my personal possessions?

If no equivalent replacement is available then **we** will pay the full replacement cost of the item with no discount applied.

If the item is a specified **personal possession** and **we** provide **you** with a cash sum to replace the item, **you** need to speak to **Swinton Insurance** to insure any new item **you** purchase to replace the specified item. What happens if I have not insured my personal possessions for the correct amount?

- reduce **your** claim in direct proportion to the amount of premium underpaid;
- charge an additional premium if applicable and pay **your** claim;
- refuse to pay **your** claim; and/or
- cancel the policy in line with "Cancelling Your Policy".

The values of **your personal possessions**, in particular jewellery, are likely to change considerably. **We** recommend that **you** check regularly the value of **personal possessions** (at a minimum every year) **you** or **your family** normally carry on **your** person and should the values change in order to ensure **you** are fully protected, **you** must tell **Swinton Insurance** straight away.

Section 3: Personal Possessions continued

Will I need to provide you with receipts or any proof of ownership?

We will require proof of ownership and value predating the loss or damage for items over £2,500. If **you** are unable to provide this information **we** may choose to reduce **your** claim payment or refuse to pay **your** claim.

What happens to matching pairs and sets?

If an item within a set or suite is damaged, the other items may lose value even if they have not been damaged. **We** will not pay for this loss in value under **your** policy.

Section 5: General Conditions applicable to this section

1. How to make a claim.

Are **you** having an **emergency** relating to one of the following:

- Plumbing and Drainage.
- Failure of internal electrics.
- Pests.
- Gas supply pipe.
- Boiler & heating system.

If so, please call **us** as soon as **you** are aware of the **emergency** to obtain assistance, on the 24 hour **Emergency** Helpline: **0333 035 9007** or alternatively **you** can register a claim online: www.swinton.homemanager.link

You should have the following information available, when making a claim.

- **Your** name, **home** postcode and contact details
- An idea of what the problem is

You may not claim under section 5 – Home Emergency Cover for the first 14 days unless **your** policy is a renewal of a previous policy.

What will happen next

If **we** agree **you** have suffered an **emergency at your home** and cover is in place, **we** will:

- Advise **you** how to protect **yourself** and **your home** immediately;
- Arrange for one of **our authorised contractors** to get in touch with **you** to make an appointment
- **We**, along with **our authorised contractors** under **our** delegated authority, will manage **your** claim from that point onwards and keep **you** updated throughout **your** claim journey;
- Agree to settle **your** claim on a **reimbursement basis** which may happen in circumstances when **we** may find it difficult to deploy an **authorised contractor** to attend **your home** or deal with **your emergency** within a reasonable timescale. Examples of such circumstances are:
 - Excessive demand
 - Bad weather
 - Industrial action
 - Parts availability
 - Availability of a specialist.

In these circumstances, **you** may, with **our** prior agreement, arrange for **your** own contractor to resolve **your emergency** and **we** will refund the cost of **your** contractor up to \$500 inc. VAT for the work they complete to resolve the **emergency** repair covered under **your** policy.

Please provide a fully itemised invoice or receipt from **your** own contractor to support **your** claim for reimbursement. If a new boiler or heating system is installed, **you** will also need to provide the make, model, serial number and Gas Council number.

- **We** will organise and pay up to \$500 per claim including VAT, call out, labour, parts and materials to carry out an **emergency** repair;

Section 5: General Conditions applicable to this section

continued

If the **emergency** repair costs more than £500, **we** will require **you** to contribute the difference or subject to **our** prior agreement and on receipt of **your** engineer's fully itemised and paid invoice, **we** would pay **you** up to £500 inc. VAT as a contribution to the cost of the **emergency** repair covered under this section which **you** will arrange **yourself**, deducting the costs already reasonably incurred by **our authorised contractor**, for the initial visit.

This will be in full and final settlement of **your** claim

- In the event of **your home** becoming uninhabitable and remaining so because of a covered **emergency**, **we** will contribute up to £200 inc. VAT towards the cost of **your** (including **your** pets) accommodation including transport, on a **reimbursement basis**;

When **we** make a repair **we** will leave **your home** safe and habitable but **we** will not be responsible for reinstating it to its original condition, although this may be covered under a buildings insurance.

2. Permanent repairs

Once **we** have carried out an **emergency repair** and contained the **emergency** for **you**, (this may only provide a temporary solution to the problem) **you** will need to arrange for a **permanent repair** to be completed by a qualified tradesperson as soon as possible. If **you** do not have a **permanent repair** completed within 3 months of the **temporary repair** and the **emergency** happens again due to the same fault the **emergency** would not be covered.

3. Other insurance

If **you** make a claim for any liability, loss or damage that is also covered by any other insurance policy, **we** will only pay **our** share of the claim.

4. Getting our claims costs back

If **we** think someone else is at fault for a claim that **we** pay, **we** may follow up that claim in the name of anyone claiming cover under **your** policy to get back the payments that **we** make.

Anyone making a claim under **your** policy must give **us** any help and information that **we** need.

5. Parts availability

Availability of parts is an important factor in providing **emergency repairs**. If **our** engineer does not carry the spare parts needed on the day of **your** appointment, **we** will do all **we** reasonably can to find and install parts from **our** approved suppliers. In these cases **we** will not be able to avoid delays in repair; **we** will keep **you** informed throughout **your** claim.

We may use new parts or parts that have been reconditioned by the manufacturer or approved third parties. **We** may not replace parts on a like for like basis but will provide an alternative suitable for containing the **emergency**. However, there may be times when replacement parts are delayed because of circumstances beyond **our** control.

There may also be occasions where parts are no longer available. In these situations **we** will ensure **your home** is safe and if required, **we** will arrange for **you** to receive a quotation for a suitable replacement item at **your** cost.

Excesses

What you need to pay if you make a claim

If **you** make a claim under any section of **your** policy for loss or damage, **you** must pay the amount of the **excess** shown in **your schedule**. **You** must pay the **excesses** that apply regardless of whether or not **you** were responsible for the incident or loss.

No **excess** is payable if **you** are claiming under section 4 – Home Legal Expenses, or section 5 – Home Emergency Cover.

If **you** make a claim under more than one section of **your** policy for the same incident, **you** will only have to pay one **excess** amount. This will be the higher **excess** amount.

Your policy has various **excesses** that apply dependent on the claim, these are:

- the compulsory **excess** applied to the majority of claims;
- any voluntary **excess** selected by **you** in addition to the compulsory **excess**;
- an increased **excess** for escape of water claims, and;
- an increased **excess** for **subsidence, heave** and **landslip** on Section 1 – Buildings;

details of the **excess** amounts will be shown in **your schedule**.

How the excesses work

Where **we** state a limit within the policy for example **Money and Credit cards** at £500, if **you** have a claim which only requires payment from that benefit, **we** will pay up to that limit once **your excess** has been paid. For example, if **you** have to claim £600 for loss of **your money or credit cards** and the value of **your excess** is £200 - **we** would ask **you** to pay the first £200 of the claim and **we** would then pay the remaining £400.

Where a claim is for the maximum amount of **your** selected contents or building sums insured, the **excess** will be taken from the total amount of the claim. For example; if **you** have a £50,000 contents sum insured limit and **your excess** is £200 **we** would ask **you** to pay the first £200 of the claim and **we** would then pay £49,800.

What happens if you requested a voluntary excess when you bought your policy?

If **you** chose to add a voluntary **excess**, please be aware that **you** will have to pay this on top of the amount of any other **excess** as shown on **your schedule**. This will mean **you** will have to pay a higher **excess** if **you** need to make a claim.

Cancelling your policy:

We want you to be completely happy with your policy, but if you're not, you can cancel this policy. Here's how it works.

When we may cancel the policy

We may cancel the policy by sending **you**, or **Swinton Insurance** sending **you**, 7 days' notice to **your** last known address or email address if **we** have a good reason to cancel **your** policy. Some examples of situations where **we** might do this include:

- **you** not paying a premium when it is due (**we** will use reasonable endeavours to collect the outstanding amounts before **we** cancel **your** policy);
- **you** not providing proof of any security devices installed in **your home** or on **your** property;
- where **you** are required to co-operate with **us**, or send **us** information or documentation and **you** fail to do so in a way that affects **our** ability to process a claim, or **our** ability to defend **our** interests;
- **you** providing **us** with incorrect information, and failing to put this right when **we** ask **you** to.
- use of threatening or abusive behaviour or language, or intimidation to **our** staff or suppliers

If no claim has been made or is anticipated in the **period of insurance**, **we** will refund the premium for the exact number of days left on the policy. If **you** have made a claim in the **period of insurance** and **we** have been unable to recover **our** costs from an identifiable, third party deemed to be responsible, **we** will not refund any part of **your** premium.

We may also cancel **your** policy where **you** commit or attempt to commit fraud or have committed fraud under another insurance policy. If **we** cancel **your** policy on the grounds of fraud, **we** may cancel immediately and **we** may keep any premium **you** have paid. Please see Fraud condition on page 57 for details.
